GLYCERINE AND BARK PREVENT APPENDICITIS

The simple mixture of buckthorn bark, glycerine, etc., known as Adler's, astonishes Lancaster people. Because Adler's acts on BOTH lower and upper bowel, ONE SPOONFUL relieves almost ANY CASE of constipation, sour stomach or gas. It removes such surprising foul matter that a few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. The INSTANT, easy action of Adler's is astonishing. SOCIAL NEWS

Mrs. John P. Hunter was the cordial hostess of the Friday Afternoon Book Club at a delightful meeting last week. At the close of the literary program the hostess served delicious ices, cake and candy.

Miss Mary Hough entertained the Children's Chapter, U. D. C., at the last meeting, which was also one of the most enjoyable of the year. Several readings, recitations, and musical selections made up an interesting program, after which the hostess served dainty ices and cake.

About a score of her friends enjoyed this outing with her spending a happy afternoon wading, fishing and playing games. An appetizing lunch was served and heartily partaken of by the children, each of whom brought the hostess a pretty birthday remembrance.

A Resident Known to all Our Readers Relates an Experience.

Readers of the News have been told again and again of the merits of that reliable, time-proved kidney remedy—Doan's Kidney Pills. The experiences told are not those of unknown persons, living far away. The cases are Lancaster cases, told by Lancaster people.

Lee Ellis, Lancaster, says: "I strained my back and I believe this caused trouble with my kidneys. My back ached all the time and when I lay down, I couldn't sleep owing to the aching across my loins. If I lifted ten pounds, something in my back seemed to snap. I got Doan's Kidney Pills at the Standard Drug Co., and one box entirely cured me. I haven't had an ache since." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mr. Ellis. Foster-Milburn Co., Props., Buffalo, N. Y.

NINE-TENTHS of the business of the world is done by checks. Why not do yours that way?

Your money is safer in a good bank than anywhere else. It is at your call at any time and you can pay it out simply by writing your check, a cleaner way than handling the actual bills and silver. Then, too, the check is a good receipt for payment, for, of course, the payee can't get the money—your money—from the bank, until he receipts for it.

We accept small accounts and are glad to get them
